3. Explain any variances over +/-10% for each line item. Attach in FAST any supporting documentation that will help to explain reason for the increase/decrease in the budgeted line item.

Fund Balance is increased by the sale of a Ladder during 2023 in the amount of \$535,000 to be used towards the purchase of a replacement apparatus. We are increasing the anticipation of interest revenue by \$40,000 to represent actual collections in 2023. We raised EMS fees in 2023 effective 8/1/23 so we are anticipating \$50,000 more in revenue which is in line with our current collections. In addition we anticipated \$50,000 more in Uniform Fire Revenues and expenses due to actual collections in 2023. Our operations and Maintenance expenses increased by 13.2% due to pension & healthcare increases, additonal personnel and contractual increases. We are adding 4 addiional FF/EMT positions to allow the organization to grow and provide appropriate promotions to supervision. We increased our allocation of Fire Prevention Salaries to account for the additional rvenue we are receiving. We need to update all of our publications and we want to add additional programis to our fire prevention program to rach more children, so we are increasing the Fire Prevention Otehr expenses line item with teh additional dedicated revenue we will receive. Our Capital Budget increased by \$1,241,000 but is offset by the sale of the Ladder above.

4. Complete a brief statement on the impact the proposed Annual Budget will have on the Amount to be Raised by Taxation, the use of the Restricted and Unrestricted Fund Balance(s) and how they are complying with the Property Tax Levy Cap. If Unrestricted Fund Balance is reduced by more than 10%, explain the projected impact on the following year's budget. The net Assessed Value Taxable (the amount that the tax rate is based upon) certified by the Township Tax Assessor as of 10/1/23 is \$5,291,683,807, an overall decrease of approximately \$2,898,631 from the previous year. Each penny of the tax rate is equal to #\$530,681 of spending. The last figure provided by the Tax Assessor for the "average" assessed value of a single family dwelling in Evesham Township is \$272,628.00. This is the value that is used to evaluate the impact of the tax rate on the individual homeowner. Tax Rate for Current Year (2024) equals \$0.2321 (estimated) per \$100 of assessed value. Tax Rate for Prior Year (2023) equals \$0.195 per \$100 of assessed value. Change in tax rate from previous equals \$0.0366, for a net impact on average
